

NEW: Exhaust Fan with LED Grille - Clipsal by Schneider Electric

NEW RELEASE: Exhaust Fan with LED Grille

The perfect solution for small spaces!

Introducing the latest addition to our CEF exhaust fan range, the Clipsal CEF30L-WE.

Have a small space but can't fit both a light and fan? Try our new exhaust fan with light combo for a compact and stylish solution.

The CEF exhaust fan can either be ducted or left open and include plugs and leads for easy installation.
