

30th June 2023

Schneider Electric Australia

Price Review Notification Effective 1st September 2023

Dear Valued Customer,

Schneider Electric has continued to implement initiatives to offset ongoing cost pressures impacting our business. However, general inflation costs and some key exchange rates have put additional pressure on some of our product portfolios and we can no longer maintain current prices.

We would like to inform you that effective 1st September 2023, we will be adjusting some of our prices across those parts of our business that have seen greatest pressure and only where it is necessary.

Price files with new pricing will be available 30 days before the new pricing goes into effect.

For those customers who are already using mySchneider, the new price information will be available to you from your online account once the scheduled price adjustments take effect.

Should you have any queries, please contact your Sales Representative or our Customer Service Centre on 13 73 28.

We thank you for your continued support and ask that you communicate this notification as appropriate.

Yours Sincerely,

Gareth O'Reilly
Zone President Pacific
