PRODUCT UPDATE: C-BUS ETHERNET TOUCH PANEL PRODUCT LAUNCH & REPLACEMENT

With the launch of the new Solis C™ Series wall controls including a Touch Panel in October 2026, this update is to inform you that the existing C-Bus Ethernet Touchscreen and wall box mount have reached EOL (end of life) and will no longer be available for purchase by end of October 2026 or until stock runs out. A quantity of stock is still available to order and some will be placed in reserve for any future Warranty claims.

The affected products are:

PART NUMBER	DESCRIPTION	REPLACEMENT - AVAILABLE FROM 16/10/26
5000ETP10W	Ethernet Touch Panel, 10in, White Fascia	5010ETP10EA Ethernet Touch Panel, 10inch, Ebony Alu. **FASCIA OPTIONS** 5010ETP10FPT Fascia Ethernet Touch Panel, Platinum 5010ETP10FBB Fascia Ethernet Touch Panel, Brass
5000ETP10WB	Wall Box, 10in Ethernet Touch Panel	N/A

The new C-Bus Solis C™ Touch Panel will be available from mid October. This will serve as a direct replacement for the existing Ethernet Touch Panel with improved technology and capability including a 10.1 inch colour touchscreen; high resolution display; slim design; interchangeable fascias; wired and wireless connectivity and customisable dashboards.

The new Touch Panel is designed to be compatible with many existing Clipsal mounting boxes, however it will not fit the old 5000ETP10WB wall box due to the move to a brand new enhanced touchscreen hardware.

PRODUCT UPDATE: C-BUS ETHERNET TOUCH PANEL PRODUCT LAUNCH & REPLACEMENT
